Compositions comprising fermentable fiber which are adapted for use by a companion animal and kits and methods of their use

SA Norton, GG Goidy - US Patent App. 10/725,248, 2003 - Google Patents

... provided which comprise at least about 0.25% of total fermentable **fiber**, by weight of the composition, wherein the composition is a liquid. In another embodiment herein, compositions are provided which comprise a **short chain oligofructose** comprising 1-kestose, nystose, and ...
